

4 A Powerful Gospel in a Plagued Church

Having the Spirit, but Living Like you Don't

1 Corinthians 3:1-23

INTRODUCTION

I The Problem is You, Not the Wisdom from God (1-4)

II The Problem is a Wrong Perspective about God's Servants (5-9)

III. The Problem is Building with Wrong Materials (10-15)

IV The Problem is a Misconception on how God Views His Church (16-17)

V. The Problem is Seeking the Wrong Approval (18-23)

CONCLUSION

As A Church:

1. Our leaders are nothing; only servants that God will use to help you and others believe.
2. We are to build only on the foundation of the gospel and all we do must resemble our foundation of Jesus Christ and him crucified.
3. We are to live like people of the Spirit, always willing to be a fool in the eyes of the world
4. We must know that we belong to God...we are His, and all who attempt to destroy that will one day be destroyed.
