A Substitute Provided

Romans 8:1-4

1/17/2021

Introduction: Our world is performance driven. Areas in our lives that are performance driven include school, sports, work, relationships, churches, etc. We want to be the best and to earn rewards. In this message, we learn that we are unable to earn salvation on our own. God provided a way.

Observations:

- No Condemnation

- No Imprisonment

- No Payment
 - God did what the law could not do
 - How God did what the law could not do

Conclusion: God sent His Son to be the Savior of the world. He gave His life to save ours. We cannot do anything to earn salvation.
