

7 MY FAITH HAS FOUND A RESTING PLACE
Total Depravity
Part 1

INTRODUCTION

WHAT IT IS NOT

- A. It is not absolute depravity

- B. It is not complete absence of relative good

CONCLUSION

1. Because of our ability to do relatively good things, we may be fooling ourselves that we are truly redeemed.

2. Because of people's ability to do relatively good things, we who know the truth, must never hide the truth of an evil heart thereby aiding their deception.
